We provide uncompromised quality in terms of infrastructure, management transparency, ample opportunities for students' growth, technological aids and safe and secure environment. SDM is synonymous for reliability in every sector including education and all students & stakeholders associated with us have testified our ideals.

## About us

Shri Dharmasthala Manjunatheshwara School, Mangaluru is an English medium co-educational school, which is incepted with the blessings of **Shri Kshetra Dharmasthala Manjunatha Swamy and the President of SDME Society, Padma Vibhushan Honourable Nominated Members of the Rajya Sabha Dr. D Veerendra Heggade.**

SDM School is located in a calm and serene campus at Ashoknagar, Mangaluru. The land was donated by Mr. Ramakrishna Mallya, philanthropist, to Sri Kshetra Dharmasthala. The President felt it fit to dedicate this property to basic education and this colossal project was initiated. The school is under the flagship of SDME society, which houses more than 50 educational institutions in the state.

SDM School building has an over-viewing picturesque riverside scenery. It is blessed to have an exuberant and dynamic band of governing council members who work round the clock for the development of the school.

SDM School not only imparts quality education, but also emphasizes the orientation in Indian culture, traditions and ethos. It is the hope of the school and the stake holders to affirm that all students who are educated here become grounded, responsible, loyal, pro-active and resourceful assets to the society in particular and country at large. We ensure the accomplishment of this goal through careful administration of uncompromised facilities including excellent teacher-student ratio, mid-day meals, security surveillance and more. It is a continuous pursuit for betterment and excellence in SDM, and we stand by it with intent policy making and implementation.

Just an infant school, we have a phenomenal strength of 830 students spread across Kindergarten to Grade 9. This year we have added Grade 10 and the age group stands at 4 to 15 years.
