Lesson- NAZISM AND THE RISE OF HITLER

Section A – MCQs (1 mark each)

1. b) Germany was forced to pay heavy war reparations
2. a) World War I
3. b) To focus on home, children, and motherhood
4. b) Through schools, textbooks, and youth organizations like Hitler Youth
5. a) Radio, films, posters, and mass rallies
6. b) The mass extermination of Jews

Section B – Short Answer (2 marks each)

7. The Treaty of Versailles forced Germany to accept war guilt, pay reparations, and lose territories. This caused anger and humiliation, which Hitler exploited by promising to restore national pride.
8. The Weimar Republic suffered from political instability, economic crises, and opposition from both left and right groups, making people lose faith in democracy.
9. Jews were segregated into ghettos, denied rights, and subjected to violence. Nazi laws excluded them from jobs and schools, leading to the Holocaust.
10. Hitler used mass rallies, radio broadcasts, posters, and films to glorify his leadership and spread Nazi ideology. Media portrayed him as Germany's savior.

Section C – Long Answer (3 marks each)

11. Nazi education trained boys for war and girls for motherhood.
The Hitler Youth and League of German Girls promoted loyalty to Hitler.
Women were denied careers and expected to raise “racially pure” Aryan families.
(explain these points)
12. Hitler's rise was aided by emotional appeal and propaganda.
He promised unity, jobs, and national pride, while exploiting fear and hatred against Jews and communists.
His leadership reshaped the people's mindset toward dictatorship.(explain these points)
